CARTER BROWN GLOBAL
GENERAL TRADING LLC

COMPANY PROFILE

Our Business Philosophy

Our philosophy is founded on a commitment to sustainable growth and development in an ever-evolving global trading market. Its objective is to provide quality of the highest order in its worldwide businesses.

Loyalty, trust, professionalism and international expertise, reinforced by the ability and determination to foster long-term relationships, are the hallmarks of CBG.

About Us

Enriched with our diverse international experience, Carter Brown Global General Trading LLC **(CBG)** has enjoyed exceptional growth and success in the MENA region, Middle East and India. We have built a global network of clients, partners and associates and have firmly established ourselves as experienced traders in a diverse range of intermediate products and commodities from Oil, Gas, Petrochemicals, Metals and Minerals, Building Materials, Machinery and Spare Parts, Technology and Innovation to Agro-Commodities.

The company has strived to fulfill the requirements of its partners who are mostly end manufacturers and end users. As the company's partners grow in their respective businesses and expand through vertical integration, CBG grows with them by helping them source the relevant raw materials, products and commodities.

Why Our CBG?

At CBG, we strongly uphold our corporate values and passionately conduct our business in a highly ethical manner that promotes free enterprise, excellence and competitiveness.

Carter Brown Global' business is dominated by several key products and this will present opportunities for CBG to explore new markets to source and to sell.

The company has strived to fulfil the requirements of its partners who are mostly end manufacturers and end users. As the company's partners grow in their respective businesses and expand through vertical integration, CBG grows with them by helping them to source the relevant raw materials, products and commodities.

Vision

To play a significant role and preserve the integrity of trading in the global market as well as become the preferred provenance for customers and suppliers in procuring commodities, projects and services.

Mission

Carter Brown Global General Trading L.L.C. aspires to provide a wide portfolio of products and services. Confidently maintains quality control and strive to obtain the most cost-effective solutions for our valued Clients.
